7.5 TON PORTABLE AIR CONDITIONER

WPC-23000

THE ULTIMATE PORTABILITY AND SIMPLICITY

AmeriCool portable air conditioners are designed for even the harshest environments, though they are ideal for a multitude of different situations. AmeriCool's air conditioners all feature spot cooling and room cooling thermostat settings to allow the unit to work at its best in any situation. These versatile portable cooling systems are ideal for a host of applications including computer rooms, hospitals, process cooling, multi-workstation cooling, special events, and even emergency short term cooling needs.

PRODUCT FEATURES

- Equipped with an automatic restart function, allowing self-restart in case of power outages
- Portable air conditioning units work with a standard outlet permitting an easy and effective start up.
- Portable air conditioner systems work well with generators as well, to provide a solution for virtually any situation.

PRODUCT SPECIFICATIONS
